

Know Before You Go:

# Bermuda International Life & Annuity Conference

September 15-16, 2025

We're excited to welcome you to the annual Bermuda International Life & Annuity Conference, the only industry event solely focused on the long-term (re)insurance industry in Bermuda, held at The Hamilton Princess Hotel and Beach Club. It convenes global (re)insurance experts to reflect on the latest industry trends and share their thoughts on the future. Over two days, (re)insurance leaders, business builders, and innovators provide their views on the latest developments in the space.

To maximize your presence and experience at the event, BILTIR has compiled the following **Know Before You Go**.

- + Event registration: Attendees can confirm their registration and pick up their badges in the morning on September 15 and 16. The registration desk is located outside the entrance to the Harbourview Ballroom in The Hamilton Princess Hotel and Beach Club. Badges should be worn throughout the event. Attendee lanyards are white, and reporter lanyards are yellow. All sessions, excluding the networking sessions, will take place in the Harbourview Ballroom.
- + Who's there: The Bermuda International Life & Annuity Conference will convene over 500 attendees. A wide cross-section of the (re)insurance industry will be in attendance. To see who is attending, view the [Attendee List](#), sponsored by Kuvare Life Re.
- + Agenda: For more details about the event – along with the agenda – please visit the [BILTIR event webpage](#).

## Contact:

For any questions regarding the conference, please reach out to Wenda Roberts at [secretary@biltir.bm](mailto:secretary@biltir.bm).

- + Meetings and networking: The Bermuda International Life & Annuity Conference is a premier networking event for global (re)insurance industry experts with an interest in the Bermuda market. To ensure you maximize your networking time on the ground, familiarize yourself with the agenda schedule and prioritize the numerous networking sessions and events, including:
  - + Networking breakfast (sponsored by Deloitte) & lunch (sponsored by EY)
  - + Mid-day networking breaks (sponsored by Moody's Analytics Inc., Aon, and Milliman)
  - + Networking receptions (additional details are below)
- + Evening events: There are two evening functions during the event:
  - + Monday, September 15<sup>th</sup>: Welcome reception hosted between 5-6:30 pm, located in the Flagpole in the Hamilton Princess Marina Courtyard. This event is sponsored by Aegon and is open to all attendees.
  - + Tuesday, September 16<sup>th</sup>: Networking reception hosted between 5-7 pm, located at the Hamilton Princess Marina. This event is sponsored by Athene and is open to all attendees.
- + Media: Unlike in years prior, this conference is open to media and several members of the local and global press will be present. We recommend consulting your communications team ahead of the conference to understand what your company's policy is for speaking to media, as a reporter might approach you to ask if you'd be willing to give an interview. Select snippets of sessions will be distributed broadly to media after the event. Please note that the keynote and keynote panel will be the only sessions not recorded. Accordingly, **consider all events and conversations – aside from the keynote and keynote panel – to be on the record.** If you'd like to speak privately with colleagues, we recommend finding a quiet, private space.
- + Photography and videography on-site: There will be photography and videography taken throughout the two days of the conference. Many of these images would be shared on social media. If you have concerns about your image being used outside of the event, please reach out to Wenda Roberts at [secretary@biltir.bm](mailto:secretary@biltir.bm).
- + Food options: The conference will provide light bites and beverages during the welcome and closing receptions on Monday and Tuesday. There will also be a catered lunch on Tuesday and refreshments throughout the day.
- + Dress code: The dress code for the Bermuda International Life & Annuity Conference is business casual, although some choose to dress in business professional attire. We recommend bringing a light jacket, as the hotel's air conditioning can be strong. For attendees traveling to Bermuda, we recommend bringing rain gear, as the weather can be unpredictable during this time of year.
- + Wi-Fi on-site: There will be Wi-Fi available during the event, sponsored by Slope Software.

## Venue Map:

Please note that the keynote and panel sessions will be held in the Harbourview Ballroom. Networking sessions will be held at various locations across the hotel.
